## CHRISTIAN LITERATURE

"Knowing about God is crucially important for the living of our lives. As it would be cruel to an Amazonian tribesmen to fly him to London, put him down without explanation in Trafalgar Square and leave him, as one who knew nothing of English or England, to fend for himself, so we are cruel to ourselves if we try to live in this world without knowing about the God whose world it is and who runs it. The world becomes a strange, mad, painful place, and life in it a disappointing and unpleasant business, for those who do not know about God. Disregard the study of God, and you sentence yourself to stumble and blunder through life blindfold, as it were, with no sense of direction, and no understanding of what surrounds you. This way you can waste your life and lose your soul."

Knowing God, J. I. Packer

## FEAST OF ST FRANCIS OF ASSISI (1181 – 1226)

The 4<sup>th</sup> Oct is the feast of Saint Francis of Assisi. Saint Francis was a mystic Italian Catholic friar, founder of the Franciscans, and one of the most venerated figures in Christianity. In 1223, he arranged for the first Christmas live nativity scene. Pope Gregory IX canonized him on 16 July 1228. Francis later became associated with patronage of animals and the natural environment. It became customary for churches to hold ceremonies blessing animals on his feast day of 4 October. Francis is known for his devotion to the Eucharist. According to Christian tradition, in 1224 he received the stigmata during the apparition of a Seraphic angel in a religious ecstasy. Along with Catherine of Siena, he was designated patron saint of Italy. He founded the men's Order of Friars Minor, the women's Order of St. Clare, the Third Order of St. Francis and the Custody of the Holy Land.
