CHRISTIAN LITERATURE

"Corrie," he began instead, "do you know what hurts so very much? It's love. Love is the strongest force in the world, and when it is blocked that means pain.

"There are two things we can do when this happens. We can kill the love so that it stops hurting. But then of course part of us dies, too. Or, Corrie, we can ask God to open up another route for that love to travel.

"God loves Karel--even more than you do and if you ask Him, He will give you His love for this man, a love nothing can prevent, nothing destroy. Whenever we cannot love in the old, human way, Corrie, God can give us his perfect way."

I did not know, as I listened to Father's footsteps winding back down the stairs, that he had given me more than the key to this hard moment. I did not know that he had put into my hands the secret that would open far darker rooms than this--places where there was not, on a human level, anything to love at all."

The Hiding Place, Corrie Ten Boom

WORLD MISSION SUNDAY – THIS WEEKEND

World Mission Sunday is the Holy Father's annual appeal for spiritual and financial support so that the life-giving work of overseas mission and missionaries can continue. It will be celebrated this Sunday, October 23, and is coordinated in Ireland by Missio Ireland.

All offerings made on behalf of World Mission Sunday become part of the Holy Father's Universal Solidarity Fund, This fund supports missionary activities in over 1,100 young dioceses, mostly in Africa, Asia, and Latin America. As young dioceses grow, so do their needs. On top of this, they are often found in remote areas devastated by conflict or natural disasters. The Universal Solidarity Fund provides aid so that missionaries can continue to go to these places to share the love of God.

LOW-GLUTEN HOSTS

For Holy Communion at each Mass, the priest-celebrant will have a ciborium containing a special section with hosts suitable for communicants with a coeliac condition. There is no need to queue separately - please just indicate to the priest that you wish to receive a reduced-gluten host.

FEAST OF ST JOHN OF CAPISTRANO (1386 – 1456)

He was born in Capistrano in the Abruzzi in 1386. He studied law at Perugia and for some time held the office of a judge. He joined the Friars Minor and was ordained. He travelled throughout Germany, Poland, Transylvania, Moldavia, and Russia, leading an apostolic life, strengthening Christian morals and combating heresy.

When the Turks were invading Europe in the wake of the fall of Constantinople, they laid siege to Belgrade, then a border fort of the kingdom of Hungary. John preached a crusade against them and took part in the battle on 22 July 1456 in which John Hunyadi, his army and John's peasant crusaders lifted the siege and defeated the Turks, keeping Christian Europe safe from Turkish invasion for the next 70 years. John died on the 23rd of Oct 1456 of plague in what is now Croatia. He is the patron saint of military chaplains.
