### THE DONKEY

When fishes flew and forests walked  
And figs grew upon thorn,  
Some moment when the moon was blood  
Then surely I was born;

With monstrous head and sickening cry  
And ears like errant wings,  
The devil's walking parody  
On all four-footed things.

The tattered outlaw of the earth,  
Of ancient crooked will;  
Starve, scourge, deride me: I am dumb,  
I keep my secret still.

Fools! For I also had my hour;  
One far fierce hour and sweet:  
There was a shout about my ears,  
And palms before my feet.

G.K. Chesterton
